

Instructions for use...

- 1) Open BinoArmor and lay flat with elastic strap facing up.
- 2) Place binocular in center of BinoArmor and secure with elastic strap.
- 3) Fold lower flap over binocular and secure to center strap with embedded magnets. Repeat with upper flap.
- 4) Binocular is now ready for use with neck strap or binocular harness (not included).
- 5) To use binocular with BinoArmor attached, simply fold back both flaps to expose the eyecups and objective lenses of the binoculars. Secure loose flaps underneath the binocular with your thumbs.

WARNING: This device contains magnets which can interfere with pacemakers and implantable cardioverter defibrillators (ICD's). Individuals with pacemakers or ICD's should NOT use this product.
